Dear Granddaughter

I feel very glad to hear from you

We thought you ^{had} entirely forgotten

you had a grandfather or other
relations in England for I have

never had ~~had~~ a letter from
your father for a twelve months

it seems you no as little about him
as we do. I hope if you have an

opportunity you will let him no

that I am still alive but in a
very feeble situation at present

but in some measure content in
that situation. I feel anxious for

your welfare both for time and
eternity and if we never all meet
in this world again I hope we all
shall meet in heaven. Your

Aunt Mary is surprised that Ann
never write nor Thomas.

so no more at present ~~your~~

from your Affectionate Grandfather
and Aunt Mary. and cousin

Thomas Brownson
